

The logo consists of the letters 'FGN' in a bold, white, sans-serif font. It is positioned on a dark green background that is shaped like a parallelogram, tilted slightly to the right.

FGN

FGN PROJECTS

Commercial Fit-Out Specialists | Sydney, NSW

CAPABILITY STATEMENT

2026

A lean team built to deliver

FGN Projects is a Sydney-based commercial fit-out contractor led by a strong core team, that pairs hands-on trade expertise with commercial project controls. We deliver projects of all values, shapes & sizes on time, on budget and in alignment with client expectations.

Project stakeholders deal directly with the team running the job, no layers of management, one line of communication. This means faster decisions, tighter cost control and a high quality build that reflects the design intent.

PROJECT 01

IMAGEN Menstyle - Barber Shop

VALUE	SIZE	SCOPE
\$67k	31m2	Refurbishment

Stripped back to the walls and rebuilt with bespoke joinery, custom lighting, head-wash plumbing and clever space planning that made room for staff kitchen facilities. All finished with bold green & gold accents. A fast turnaround with zero defects, staying true to our commitment to be ready for trade.

PROJECT 02

Mayvun Arc - Office Fit Out

VALUE	SIZE	SCOPE
\$170k	124m2	Refurbishment

Refurbishment of a commercial tenancy fit out for tech & digital talent specialists, Mayvun Arc. This involved alteration & installation of multiple new finishes, illuminated signage, joinery, kitchenette & breakout areas & additional services. Delivered on time and on budget..

Two principals. Direct accountability.

Elliot Terry-Fagan

MANAGING DIRECTOR

10+ years experience in Carpentry, Building and Site Supervision on high-end residential and commercial projects.

Elliot specialises in bringing plans to life. With a solution-focused mindset, he helps clients and designers turn their vision into reality. He is experienced in organising and coordinating multiple trade teams to keep projects moving efficiently and on schedule. A key part of delivering on that vision, is his skill in sourcing the right materials, drawing on strong supplier relationships to secure quality products, that match design intent without compromising on budget, or timelines. His background in remedial and residential construction has instilled a deep commitment to building to code and minimising defects from the outset, ensuring projects are done right the first time, reducing any chance of costly rework down the line.

Will Desborough

CONSTRUCTION MANAGER

7+ years experience in Quantity Surveying, Project Engineering and Project Management on commercial fit-outs and new builds.

Will brings a strong background in Quantity Surveying and Project Management, having worked across projects ranging from \$340k to \$165m in value, including CBD Office Fit-Outs, Retail, Hospitality and Defence sectors.

Clients benefit from tighter cost control, accurate budgeting and transparent contract management from day one, reducing the risk of unexpected costs or delays. His project engineering background ensures the design, procurement & construction stages are effectively coordinated, executed, and tracked. Will demonstrates the rigour of a major commercial builder, with the responsiveness of a small, dedicated team.

What clients get with FGN

Trade-led, commercially run

Hands-on trade leadership paired with commercial project controls on every job.

Direct communication

You speak directly to the team running the project, no layers of management.

Proven across all scales

Experience on projects up to \$165m in value across office, retail, hospitality, wellness, residential and defence.

Strong subcontractor network

An established and reliable supply chain, built on trusted relationships with teams we know and have successfully delivered projects alongside.

Responsive to your programme

Adaptable to client and leasing agent timelines, including out-of-hours and staged works.

Safety and compliance focused

Contractors license certified, built to code, with a defect-minimisation mindset from day one.

PROJECT EXPERIENCE

Career history portfolio

Selected projects delivered by Elliot and Will in prior roles with leading Sydney contractors.

The foundation FGN Projects is built on.
